Post Code.....

Last time they judged the breed and where.....

Amount of **DOGS** (not entries)**BREED**

Tell us something about your nominated judge to convince us that this person is what we are looking for.

We do not want nominations for All-rounders or overseas judges we are looking at for the best of British breed judges.

We welcome first time nomination, however, before you nominate you must be sure that your nomination meets all the KC requirements to award CCs at the time of nominating.

It is now up to you to nominate judges that you feel will be of a benefit to our show and the sport; you need to give as much information below as possible to convince my Committee that your nomination is the best.

Please Note : For first time nominations to award CCs please could you tell us how many dogs actually judged by the candidate, and they have attended all relevant seminars and attained the stewarding requirements.

Also please could you make sure that any nominee is available to accept the nomination with a gap of two years between CC appointments and not to have judged the breed for 12 months at open shows within the UK.

If you are unsure please ring the secretary and ask.
