---

We are currently making arrangements for our 2023 Show and I am writing, on behalf of the committee, to ask if you are available to kindly act as one of our ring stewards. I hope you can accept and I would be grateful if you could complete the enclosed form and return it to me at my address above. Your reply within 7 days would be much appreciated. If you are exhibiting then perhaps you would care to steward for us on either or both of the other two days.

Lunches will no longer be provided by the Society, instead each steward will be paid £10 per day to purchase food from one of the food outlets at the show. If you wish to bring a packed lunch, you will be able to use the steward's area to eat your meal with tea or coffee and this will be available throughout the day as usual.

Stewards who are not staying on the caravan park will be given a £10 fuel allowance per car, per day, on production of a fuel VAT receipt.

We have in the past been oversubscribed for stewards on each day, so rings will be allocated as the forms are returned, once we have reached the limit on each day stewards will then be put on the reserve list. You will be notified by email once your form is received so it is imperative you include your email address on your form (please state if you do NOT have email).

Yours sincerely

*Carol Harwood*

(Chief Steward)

Stewards requiring a Caravan Space MUST make their booking directly with the Secretary on the official booking form found in the schedule or you can download one from our website as soon as possible. Please tick the box provided and enclose your remittance. Space is strictly limited so please book early to avoid disappointment.

Schedules for the show can be downloaded at <http://www.fossedata.co.uk>
